## **Batman: Going Sane** J.M. Dematteis

Gotham City is plagued with crime and corruption in places high and low, but one man has taken a stand against evil in all its forms: the dark avenger known as Batman. When a showdown between the Dark Knight and the Joker seems to result in Batman's death, the Joker - bereft of his nemesis, and lacking purpose - retreats into something approaching sanity as Joe Kerr, regular guy with a job - and a girlfriend. But "Kerr's" journey towards some kind of redemption may be cut short when he discovers that Batman has survived... This thoughtful, reflective look at Batman and his nemesis is presented by J.M. DeMatteis ("Spider-Man: Kraven's Last Hunt"), with art by the legendary Joe Staton!
