Faith: Stories: Short Fiction on the Varieties and Vagaries of Faith

Faith: Stories: Short Fiction on the Varieties and Vagaries of Faith

Expanding the conversation begun in *God: Stories*, this important gathering of writers explores the diverse world of faith in all its guises: Islamic, Buddhist, Hindu, Quaker, and Confucian beliefs, as well as Jewish and Christian ones. From James A. Michener to Gabriel Garcia Marquez, from Amy Tan to Hanif Kureishi, *Faith: Stories* investigates the boundaries of faith and ritual in everyday life. In one story, a one-eyed Chinese child learns that all heavens are not the same. In another, a wealthy moneylender finds a relic of the Prophet Muhammad and decides to keep it instead of returning it to its shrine. In a third, a father whose son begins to blindly preach the Koran becomes engaged in a fanaticism of his own.

With subtlety and surprise, wit and candor, these stories explore issues of faith such as sacrifice, superstition, myth, and disbelief. Together they form an illuminating prism of the religious experience in today's world.
