Skipping Rocks

Karen K. Shofner

Skipping Rocks Karen K. Shofner

"Skipping Rocks" is a collection of poems about life in general: The good, the bad, and the in between.

Karen has fond memories from her childhood of searching for the perfect flat, smooth rock and then skipping it across the lake. If she had the right rock and held it just right, the rock would skip five maybe six times in a row. She feels that life is a lot like skipping rocks. Some days the rock will skip smoothly across the water, and other days it will go "plunk" and disappear quickly beneath the surface. Either way, don't quit skipping rocks and don't forget about Christ, the Solid Rock, who is always with us, even when all our rocks seem to be sinking straight to the bottom.
