If you're a fan of *Downton Abbey*, don't miss the fascinating Edwardian world of Thornbrook Park.

Pulled apart by past mistakes. Driven by a passion neither could deny.

Sophia Thorne was young and inexperienced when she married the dashing Earl of Averford...and through dark and troubled times, their relationship nearly came to an end. Now she's determined to transform herself into the fiery, ardent lover she always wanted to be, giving them a second chance at love... before they're lost to each other forever.

It took nearly losing Sophia for Gabriel to realize he had allowed his love for his great estate to distract him from his beautiful wife. But that time is over. Despite all the obstacles standing in their way, Gabriel vows to teach Sophia what it is to truly love...and to be loved by a husband devoted heart and soul to her every desire.
