Kansas 1885 - Lucy Haid has had an increasingly difficult life. She'd been dreaming of running away for years when a young farmer offers to take her to his remote home. She figures the man only wants a wife to cook and care for his house, but at least he seems kind and honest about it. Lucy jumps at the chance to escape. Even a dull life would be better than the threat looming before her. But her new husband is full of surprises. Is there a chance he'll actually live up to her fantasies?
