Black Preaching: The Recovery of a Powerful Art Henry H. Mitchell

Henry H. Mitchell has completely revised and integrated his popular books *The Recovery of Preaching* and *Black Preaching* for seminarians and pastors--both Black and White--who are seeking to add power and vision to their sermons.

Mitchell persuasively demonstrates that Black culture and preaching style are vital for the empowerment of Black congregations and have much to offer the preaching method of *all* preachers. By focusing on the use of storytelling, imagination, and style of preaching rooted in African-American culture, Mitchell spotlights effective techniques for lively preaching.
