Richard A. Wheeler

Founded primarily on town, church, and charter records, this work is divided into two main sections: the "History of Stonington" and the "Genealogical Register of Stonington Families." The genealogies in the second section generally begin with the immigrant ancestor and continue through six or seven generations in the direct line of descent, providing a progression of names and dates of birth and marriage, with incidental references to places of residence, land holdings, and probated estates.
