## Political Issues in Ireland Today: Third Edition (Politics Today)

This volume covers a wide range of policy areas in the Republic and Northern Ireland. It fills a major gap in the academic literature on Irish politics, providing a comprehensive introduction to the issues dominating political debates in both parts of Ireland. The contributors take a comparative approach to Irish politics--first addressing constitutional issues and then discussing public policies. This thoroughly revised second edition has new chapters on corruption and ethics and the marketing of public services.
