## **The Devil Tree** Jerzy Kosinski

A searing novel from a writer of international stature, *The Devil Tree* is a tale that combines the existential emptiness of Camus's *The Stranger* with the universe of international playboys, violence, and murder of Patricia Highsmith's *The Talented Mr. Ripley*. Jonathan Whalen's life has been determined from the start by the immense fortune of his father, a steel tycoon. Whalen's childlike delight in power and status mask a greater need, a desire to feel life intensely, through drugs, violence, sex, and attempts at meaningful connection with other people -- whether lovers or the memory of his dead parents. But the physical is all that feels real to him, and as he embarks on a journey to Africa with his godparents, Whalen's embrace of amoral thrill accelerates toward ultimate fulfillment. Now in a Grove Press paperback, Kosinski's classic, acclaimed as "an impressive novel ... it should confirm Jerzy Kosinski's position as one of our most significant writers" - Newsweek "Savage ... [Whalen is] a foolproof, timeless American character." -- Mary Ellen Barrett, *Cosmopolitan*
