The King's Gold

Arturo Perez-Reverte

The King's Gold Arturo Perez-Reverte

From acclaimed and bestselling author Arturo Pérez-Reverte comes the fourth adventure of Captain Alatraste, “the brooding, charismatic hero of his wildly successful Spanish swashbuckling novels” (*The New York Times*).

Arturo Pérez-Reverte has enthralled readers and critics around the globe with his Captain Alatraste series. Having sold four and a half million copies to date in the Spanish-speaking world, the series has made Pérez-Reverte a literary superstar and his fictional seventeenth-century mercenary a national icon.

The King's Gold picks up in Seville, 1626. After serving with honor at the bloody siege of Breda, Captain Alatraste and his protégé, Inigo Balboa, have returned: battle-weary, short of cash, and with few prospects for honest work. But the Spanish empire is as dangerous as ever, and it's not long before Alatraste receives an intriguing offer of short-term employment. He and Inigo must recruit a dozen swordsmen and mercenaries for a risky job involving a dazzling amount of contraband gold and a heavily guarded Spanish galleon returning from the West Indies. The offer comes from the king himself, for at stake is nothing less than the Spanish Crown, and its dominion over the wealth of the Americas.

The seedy taverns, the teeming prisons of Seville, the sand dunes of Guadalquivir find Alatraste, Inigo, and their motley band of cutthroats embarking on a new adventure, one that brings them surprising new alliances and perilous encounters with old enemies.

Beside that this The King's Gold giving you an enormous of experience for example rich vocabulary, giving you tryout of critical thinking that we understand it useful in your day pastime. So , let's have it appreciate reading.

Ilene Cody:

As a college student exactly feel bored to reading. If their teacher asked them to go to the library as well as to make summary for some reserve, they are complained. Just tiny students that has reading's soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring in addition to can't see colorful pics on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this The King's Gold can make you really feel more interested to read.

Jennifer David:

What is your hobby? Have you heard that question when you got students? We believe that that concern was given by teacher with their students. Many kinds of hobby, Everybody has different hobby. And also you know that little person including reading or as studying become their hobby. You have to know that reading is very important and also book as to be the thing. Book is important thing to include you knowledge, except your personal teacher or lecturer. You see good news or update in relation to something by book. Amount types of books that can you choose to adopt be your object. One of them is this The King's Gold.
