## **Awakened By A Kiss (Once Upon A Romance Series Book 5) Laurie LeClair**

A new romantic comedy novella in the Once Upon A Romance Series from bestselling author Laurie LeClair.

Can a kiss change your life?

Evelyn White wants a baby. On her own. It's ironic that the King's Department Store wedding assistant doesn't plan on having a wedding for herself. She'd rather tackle parenthood on her terms. Less fuss. Less mess. And there's no one to have to deal with when making decisions. Will being a single mom be everything it's cracked up to be? Evelyn questions herself when her heart goes pitter-patter after clumsily dropping her tote bag and its contents, and then staring up into the breathtaking baby blues of the man she practically maims.

Shane Weston fears divorce. He's been put through the wringer ever since his parents' messy break up years ago. To this day, he's still refereeing their ongoing squabbles. So, when he hears who his cousin is marrying, he rushes to stop the certain disastrous union and save his cousin from the worst mistake of his life. But he needs allies to achieve his goal. He's doing everything in his power to enlist the help of King's wedding assistant. Only he's not so sure his reasons are pure anymore when Evelyn and he pretend to be a couple and he starts falling for her, hard and fast.

Attraction leads to a kiss. The kiss awakens Evelyn to things she never knew she wanted. The same kiss puts Shane's heart at risk.

Neither Evelyn nor Shane want a romance. They have better things to do with their lives. But will one spectacularly amazing kiss change both their views on marriage and their dreams forever? And can Evelyn and Shane put aside what they long for in order to make way for a love of a lifetime?
