Cancer Success Stories - Book 1: In Search Of A Cure Chris K. H. Teo

This book contains sixty-one stories about people struggling and searching for cure of their cancers. Many people have the notion that only medical science and procedures can cure their cancers. Unfortunately, a cure remains elusive. For those who have failed, perhaps there is still time to reevaluate their strategy. This book documents an alternative/complementary method to cancer management. There may be still hope when people say you have no hope!
