First 100 Words in Spanish (Usborne First Hundred Words Sticker Books) Heather Amery

From a public health perspective, alcohol is a major contributor to morbidity and mortality, and has the capability to impact on many aspects of social life. This book describes advances in alcohol research which have direct relevance for the development of effective alcohol policies at the local, national and international levels. It covers the search for policies that protect health, prevent disability, and address the social problems associated with the misuse of alcohol.
