Now for the first time, all three phases of the Savage Run combined in one book! Seventeen-year-old Heidi Cruise has one chance at freedom, but it involves breaking the law and completing Savage Run, a life-threatening, male-only obstacle course program. Nicholas Volkov has one goal: to make sure when he becomes president over the hierarchical society of Newland that he doesn't follow in his tyrannical father's footsteps. After Heidi registers for Savage Run, Nicholas discovers that she's a girl. Being a rebel in his own right, Nicholas doesn't turn her in, but decides to help in any way possible. Heidi struggles through the obstacle courses in Savage Run. Physically and emotionally drained, it is only during downtime between events that she's able to make sense of her world and get a little closer to the secretive Nicholas. But with the threat of death constantly barreling down on her, and with menacing contestants looming around every obstacle, she realizes that the chances of her getting killed are far greater than winning her freedom. In this action-packed, suspense-filled novel, E. J. Squires takes us through a wild ride that explores how far one would go to gain one's freedom. With narrow escapes, heart-aching losses, and an unexpected romance, you are in for a read you won't be able to put down.
