Just trust my writing, and read it. It's pretty good. You must read for the Love of ATL to read this book! If you read for the Love of ATL and can't handle the multiple plots??? DO NOT READ THIS! lol. Start off with For the Love of ATL, and work your way up to this series before moving on to Hoodlums and Hooligans.

But this series is about 7 brothers in Atlanta, very hard to explain the wild craziness, drama, family oriented mayhem that these men go through with women and life and general, and it all goes down in the city that forever turns up.

SN: You really don't have to read For the Love of ATL but I strongly suggest you start there so you can get used to my writing style, and see my progress as a new writer to Amazon. Hope you enjoy!
