Obsession is the second of The Twisted Diary Trilogy. A unique diary style format that has you in the exact moment of a not so perfect relationship. The attraction is too strong for Harrison and Kate to only be friends. Harrison can't live without Kate, and wants her back- but is he prepared to accept her terms? Can he do the right thing by her? Kate's obsession with Harrison makes her determined to be with him- or is she determined to be 'the one'? She uses the relationship to her advantage. Harrison thinks he has the control, and in actual fact it's Kate who has the control. She can't let go, and nor can he, but can either of them make it work?
