Performance Based Evaluation: Tools and Techniques to Measure the Impact of Training Judith Hale

If you are an experienced trainer, an instructional designer, a specialist in performance improvement, or a manager responsible for learning and performance, Performance-Based Evaluation . . . offers you the proven tools and information to evaluate programs and people performance. Filled with real-world examples, this practical resource will help you to determine what to do and (just as important) what not to do.

Performance-Based Evaluation contains a wealth of information including:

- * Suggestions on how to measure both hard and soft skills
- * Guidance on measuring required and mandated programs
- * Ideas for measuring elective training and employee relations programs
- * Procedures for comparing different delivery systems
- * Information on how to sample people and documents
- * Tips for both collecting data and information on analyzing data using descriptive and inferential statistics

In addition, the book includes a CD-ROM with customizable and reproducible job aids, charts, and exercises.

From reader reviews:

Joe Vizcarra:

Reading a publication tends to be new life style in this particular era globalization. With reading you can get a lot of information that could give you benefit in your life. Together with book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or maybe their experience. Not only the storyline that share in the textbooks. But also they write about the ability about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors on earth always try to improve their proficiency in writing, they also doing some study before they write for their book. One of them is this Performance Based Evaluation: Tools and Techniques to Measure the Impact of Training.

Christopher Helland:

Spent a free time and energy to be fun activity to accomplish! A lot of people spent their free time with their family, or all their friends. Usually they doing activity like watching television, gonna beach, or picnic within the park. They actually doing same every week. Do you feel it? Do you want to something different to fill your current free time/ holiday? Could possibly be reading a book could be option to fill your no cost time/ holiday. The first thing that you'll ask may be what kinds of e-book that you should read. If you want to test look for book, may be the reserve untitled Performance Based Evaluation: Tools and Techniques to Measure the Impact of Training can be great book to read. May be it is usually best activity to you.

Anh Huckaby:
