Private Equity: Transforming Public Stock Into Private Equity to Create Value Harold Bierman Jr.
Praise for Private Equity

"Harold Bierman has blended an excellent mix of important principles with real case study examples for a better understanding on a rather sophisticated finance subject."

-Edward M. Dudley, Vice President & General Auditor, ABB Americas

"The role of private equity firms in financing buyouts as well as providing growth capital has expanded significantly in the past decade. In a clear, concise way, Harold Bierman provides a timely and astute analysis of the virtues of private equity as well as creative quantitative methodologies that are applicable to real-life transactions. This book should become essential reading for investors, intermediaries, financial advisors and the management of private, almost private, or soon-to-be private firms."

-James A. Rowan Jr., Managing Director, Investment Banking
Legg Mason Wood Walker, Inc.

"As the private equity asset class has grown to over \$300 billion in the last three years, Bierman analyzes the fundamentals behind the investment decisions of this increasingly important sector. Once completing the book, you will understand the fundamental analytical framework underlying private equity investment."

-Peter Nolan, Partner, Leonard Green and Partners

"In looking at the private equity arena, Professor Bierman has brought together a diverse group of metrics and valuation formulas into a single text. The book provides a valuable combination of academic theory and real-life case studies. It provides many insights."

-Peter H. Vogel, Vice President, MeadWestvaco Corporation
