*Arthur Schopenhauer*

## **The Wisdom of Life** Arthur Schopenhauer

A profound advocate for willpower and rational deliberation, Arthur Schopenhauer (1788–1860) believed that complete happiness and satisfaction are unobtainable. This essay from his final work, *Parerga und Paralipomena* (1851), examines how to discover the highest possible degree of pleasure and success, and suggests guidelines for experiencing life to its fullest. Lucid and compelling, Schopenhauer's work offers a powerfully original point of view on a subject of perennial interest.
