Companion to Historiography (Routledge World Reference)

Companion to Historiography (Routledge World Reference)

The *Companion to Historiography* is an original analysis of the moods and trends in historical writing throughout its phases of development and explores the assumptions and procedures that have formed the creation of historical perspectives. Contributed by a distinguished panel of academics, each essay conveys in direct, jargon-free language a genuinely international, wide-angled view of the ideas, traditions and institutions that lie behind the contemporary urgency of world history.
