Hemlock and the Wizard Tower (The Maker's Fire Book 1) B Throwsnaill

How is power gained, retained and exercised; and what happens to a power structure when a young girl with magical abilities hacks and slashes her way into the very core of its apparatus?

In a magical city that travels through multiple dimensions, a young girl named Hemlock has risen from being a lowly cutpurse to discovering that she is a powerful fighter. Under the guidance of an aging freedom fighter named Safreon, Hemlock battles to keep the peace in her run down district, while across the City the upper class Elites enjoy peace, prosperity and freedom.

The Wizard Tower looms in the center of the City, casting a long shadow over its affairs. The Wizards rule behind the scenes, dictating and controlling the use of magic. Hemlock instinctively feels that the Wizards are her enemies, but Safreon will not discuss openly opposing them, as he seeks to methodically mentor Hemlock, and advance his own cryptic plans for the City.

Hemlock makes a decision to make a bold attack on the Wizard Tower alone, convinced that she can destroy or undo whatever method the Wizards are using to control and ration magic. As the novel opens, we join Hemlock just after she has infiltrated the Wizard Tower, learning what happens through a narrative interspersed with flashbacks to events leading up to the attack.

Look for the next volume in the series scheduled for release in spring 2012!
