## He would make me addicted to him.

Kayla is a **hot-bodied college babe** who has to interview wildly rich **rock star** Carson Poole, who is as arrogant as he is gorgeous. When she loses her cool over one of Poole's sexist remarks, he reveals that can end her college career in a heartbeat, and leave her career hamstrung before it's even started.

But Poole is, in his words, "a generous man." He's willing to forget Kayla's blow up if she's willing to do a different kind of "**blowing**." Kayla has a boyfriend, but he's always been a weak-willed wimp—nothing like the **marble-bodied rock god** propositioning her now. With her life in jeopardy, Kayla has no choice, and she's forced to submit to every **erotic, nasty desire** the rock star has.

But her antagonistic heat toward Poole is based in a different kind of heat altogether—she's **really turned on** by what a **masculine, misogynistic male supremacist** he is. And when Poole starts to let her taste what his **mammoth member** can offer, she can't help but wonder what it would be like to have her **fertile body** filled with his virile product, pumping her **tight entrance full** of his **heir-making seed**...no matter what her loser wimp boyfriend at home might have to say about it.
