Why She Plays: The World of Women's Basketball Christine A. Baker MA

Why does she play basketball? Since the enactment of Title IX in 1972, that question has come to be asked of more girls and women—and answered in more ways—than ever before. Christine A. Baker, herself an avid player and an assistant coach, pursues an answer through the ranks of the sport from youth basketball to the WNBA.

Baker sets the stage with a quick look at current statistics and trends in women's basketball nationwide, noting the profound changes in the last thirty-five years. A series of exclusive interviews then takes us into the heart and soul of the sport. Her subjects are players and coaches, from neophytes to stars such as Dawn Staley and Nancy Lieberman; from legendary coaches such as Jody Conradt to the masterminds of USA Basketball and the 1996 Women's Dream Team; from Donna Lopiano, former CEO of the Women's Sports Foundation, to tomorrow's Olympic athletes. A richly detailed, all-encompassing portrait of the sport, these interviews offer a wealth of insight into the game, American sports culture, and, indeed, why Baker plays.

Phillip Martin:

In this era which is the greater man or woman or who has ability to do something more are more special than other. Do you want to become certainly one of it? It is just simple strategy to have that. What you have to do is just spending your time almost no but quite enough to have a look at some books. One of several books in the top record in your reading list is actually Why She Plays: The World of Women's Basketball. This book which can be qualified as The Hungry Hillside can get you closer in becoming precious person. By looking upwards and review this guide you can get many advantages.

Gabriel Badger:

As a student exactly feel bored to help reading. If their teacher requested them to go to the library or even make summary for some guide, they are complained. Just tiny students that has reading's spirit or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Why She Plays: The World of Women's Basketball can make you experience more interested to read.
