Believing in Jesus: A Popular Overview of the Catholic Faith Leonard Foley O.F.M.

Leonard Foley wrote *Believing in Jesus* to help "born Catholics" come to a deeper understanding of the beliefs and practices they have held all their lives and to help those who approach the Catholic Church for the first time. He wrote, "I hope this book will help some scared and scarred people and challenge others."

Now in its sixth edition, the best-selling *Believing in Jesus* captures the Christian's continuing journey of faith, ever new, ever alive-yet always founded on God's steadfast love for us. In a lively style Foley covers the complete spectrum of the Catholic faith, leading the reader from early Old Testament times through a world starting over in Jesus, and looking ahead to the time when Jesus will come again and we will share fully in his life.

This edition is updated to reflect the latest church documents and events and is cross-referenced to the *Catechism of the Catholic Church*. Discussion questions will help readers to delve more deeply into the mysteries of the faith, and the expanded resources section provides ample opportunities for further exploration. *Believing in Jesus* is an indispensable guide to the faith we cherish.
