How to Prepare for the COOP/HSPT (Barron's COOP/HSPT/TACHS) Max Peters, Jerome Shostak

This is an all-new edition of a previously published test prep manual--new tests and new subject reviews. It provides two Cooperative Admissions tests and two High School Placement Tests, as well as a diagnostic section, all with answers and explanations. These tests are given as entrance exams at most Catholic high schools across the country. Answers to test questions are keyed to the book's subject review sections, which cover math, science, verbal and reading comprehension skills, and social studies.
