The Chronicles of Conan Vol. 2: Rogues in the House and Other Stories Roy Thomas

In the early 1970s, Robert E. Howard's Conan the Barbarian exploded on to the comics scene. Writer Roy Thomas teamed with a young artist named Barry Smith, and together the two mapped out some of the most stirring and memorable Conan adventures to come along since those written by Howard himself. Over the course of their 24 issue run together, Thomas and Smith defined Conan for a generation of comics readers, and now those stories are collected here in a series of trade paperbacks. Featuring completely remastered color and text corrections, and containing material not available for nearly thirty years, these books are the perfect companions to the upcoming all-new Conan series from Dark Horse.
