The Merciless Travis Wilde Sandra Marton

The wild before the storm

Travis Wilde doesn't do love or commitment—but he'd never turn down a willing woman and a king-size bed. Normally innocence like Jennie Cooper's would have the same effect as a cold shower, yet her determination and mouth-watering curves have him burning up all over!

The clock is ticking; forced to confront her life, Jennie is determined to cross some major things off her to-do list. Some might be risky—like taking on the renowned Travis Wilde—but Jennie has nothing to lose, except the one thing she *thought* was untouchable...her heart.
