Advances in Sport Psychology

Advances in Sport Psychology

Editor Thelma Horn has assembled a group of researchers to report on the current and future trends of sport psychology. These contributors, all leading sport psychologists, present a discussion and critical analysis of the current state of knowledge for major research issues, and offer clear recommendations for future research directions. "Advances in Sport Psychology" is an undergraduate- and graduate-level text and a reference for sport psychologists who want to stay abreast of important issues in their field of study.
