J. H. Riddell

Austin Friars, Vol. 1 of 3: A Novel (Classic Reprint) J. H. Riddell

Excerpt from Austin Friars, Vol. 1 of 3: A Novel

Where the trains now go puffing in and out of the Cannon Street Terminus, there stood - before the recent changes which have made modern London almost unrecognisable to those who knew it when recent changes were undreamed of - a laro-e louise in a cul-de-sac called Scott's Yard.

Concerning who Scott may have been, and why he was considered worthy of having a Yard named after him, not merely general but local history is silent; yet that the place was where I have indicated, is certain from the fact that Scott's Yard still remains - a very ghost and spectre of its former self.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
