Blood and Fire (The Mccloud Series Book 8) Shannon McKenna

Restless and impulsive, Bruno Ranieri fits right in with the McClouds. And just like the McCloud brothers, Bruno has a dangerous past to contend with--one that's about to come crashing back into his life. . .

Bruno is working hard to keep his nose clean and save the family business. Not easy when the nightmares that plagued his childhood are hi-jacking what little rest he gets. Even harder when beautiful fugitive Lily Parr appears, on the run from assassins--and implying that Bruno is involved. But the violence that accompanies her is no illusion. Nor is the blisteringly hot desire that explodes between them.

After her father's suspicious death, and an attempt on her own life, snippets of information have led Lily to Bruno's door. . .and his charisma soon compels her into his bed. But with killers on her heels, running won't help--not with the terrifying secret lurking in Bruno and Lily's pasts. A secret their mysterious enemy will gladly destroy them to protect. . .
