The Chartist Legacy

The Chartist Legacy

This volume comprises 11 essays written by leading scholars of the Chartist Movement preceded by a foreword by Asa Briggs who previously edited a similar collection, *Chartist Studies* (1959). With contributions from political, social and literary historians based in Britain, Australia and the United States, this is truly a multi-disciplinary and wide-ranging collection. The book includes studies of: the pre-history of the six points, oratory, poetry, journalism, transportation and the later career of Feargus O'Connor. **The Chartist Legacy** is an indispensable volume for all students of Chartism.
