Don Paul, Jim Hoffman

Waking up from our Nightmare: The 9/11/01 Crimes in New York City Don Paul, Jim Hoffman

Don Paul and Jim Hoffman have performed a feat that the public has waited three years for: solving the 9/11 mystery in a nutshell. They have selected the most eloquent color photo evidence and commentary to focus on the clearest, most concise case and most direct route convicting the government itself of perpetrating 9/11. After cinching their case using the key evidence of the WTC demolition, all the while avoiding unnecessary rhetoric and speculation, they go on to show how this "unthinkable" crime fits into the context of the ruling financial elites, and offer alternative ways forward. All this - Everyman's Guide to 9/11 - packed into a pocket-sized book with a pocketbook-sized price.
