Jordan, Jon, Joe, Donnie, and Danny. They set the bar for every boy band that followed and changed the course of pop music forever. In the 1980s, for millions of young girls around the world, they were gods. But behind the scenes, they were just kids. In this authorized biography of the band, the New Kids tell it all to rock journalist Nikki Van Noy.

From makeshift stages in Boston clubs to soldout shows at Madison Square Garden, through winning American Music Awards and selling 80 million records, the New Kids on the Block (NKOTB) were a rite of passage and a touchstone of youthful memories. Scoring platinum albums, and with a series of sold-out international tours, NKOTB blazed through North and South America, Europe, Australia, and Asia, leaving throngs of screaming teen and tween girls in their wake. But after a few heady years, the guys (and their fans) grew up, and moved on. The New Kids disbanded in 1994 and, for nearly fifteen years, there was every reason to believe that the NKOTB phenomenon was over once and for all.

But then an unexpected thing happened. The band (and their fans) got a second chance to relive their youth when NKOTB reunited in 2008. And they realized that this band has something special—an unbreakable bond with their fans and with each other that has only strengthened with the passage of time. Today, fans both old and new celebrate the band's triumphant comeback with sold-out concerts, cruises, and top-selling albums. And this time, Jordan, Jon, Joe, Donnie, and Danny are enjoying it all right alongside them. An intimate, all-access backstage pass to everything New Kids on the Block, from their meteoric rise to fame

Nikki Van Noy talks directly to those loyal fans, as well as to all five band members and their families, weaving their stories together in this no-holds-barred chronicle. With frankness and honesty, each New Kid recalls nearly thirty years of experience with the group, both on and off the stage. Like a time machine, this book will take you right back—giving you an inside look at the New Kids like you've never seen them before.

“It's amazing. It's almost like going through life and then getting another chance at life, knowing what you know now.” —**Jordan**

“My dad said, ‘I'll tell you what—if you ever make it big and you come home and you've changed, I'm gonna kick your ass.’ That always rang in my head.” —**Donnie**
