The Classical Greek Reader

The Classical Greek Reader

Scholarly commentary on the nuances of Greek writing fills library shelves, even entire libraries. Yet nothing can take the place of the documents themselves. *The Classical Greek Reader* marks an exciting departure from the traditional anthology approach to Greek literature and thought. By focusing not only on the big names but also on the less-familiar voices--the women, doctors, storytellers, herbalists, and romance writers--we are offered a glimpse of ancient Greece as we have rarely seen it.

Kenneth J. Atchity provides the reader with firsthand access to literary, artistic, social, political, religious, scientific, and philosophical texts that shaped Greek thinking. From Homeric epics to the histories of Plutarch, and from the poems of Korinna to the romances of Heliodorus, this invaluable reference provides readers with modern translations of the voices that shaped the classical Greek spirit. Each entry contains an introduction identifying the author and providing information that allows readers to consider these ancient texts in a new light.

Here are the wonders of the Greek world presented in a modern, accessible manner, perfect for those looking to refresh their acquaintance with the classics and for those who have yet to explore the exciting intellectual energy of the ancient Greek world.

Jill Lee:

As a college student exactly feel bored to be able to reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just little students that has reading's soul or real their hobby. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that looking at is not important, boring in addition to can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this The Classical Greek Reader can make you feel more interested to read.
