Vince Flynn Collectors' Edition #1: Term Limits, Transfer of Power, and The Third Option Vince Flynn

In this special collectors' edition, relive the action in Vince Flynn's #1 *New York Times* bestselling political thrillers: *Term Limits*, *Transfer of Power*, and *The Third Option*.

Term Limits

In one bloody night, three of Washington's most powerful politicians are executed with surgical precision. Their assassins then deliver a shocking ultimatum: set aside partisan politics and restore power to the people. A joint FBI-CIA task force reveals the killers are elite military commandos. Only Michael O'Rourke, a former U.S. Marine and freshman congressman, holds a clue to the violence: a haunting incident in his own past with explosive implications for his country's future.

Transfer of Power

On a busy Washington morning, the stately calm of the White House is shattered as terrorists gain control of the executive mansion, slaughtering dozens of people, taking hundreds hostage, and threatening the life of the president. One man is sent in to take control of the crisis. Mitch Rapp, the CIA's top counterterrorism operative, makes a chilling discovery that could rock Washington to its core: someone within his own government wants his rescue attempt to fail.

The Third Option

CIA counterterrorism operative Mitch Rapp falls prey to government forces with an agenda of their own after Dr. Irene Kennedy is named the successor to dying CIA Director Thomas Stansfield -- a choice that enrages many inside the world's most powerful intelligence agency. Her detractors will resort to extreme measures to prevent her from taking the reins, which makes Rapp an expendable asset. But Mitch Rapp is no one's pawn, and he will stop at nothing to find out who has set him up.

These special collectors' edition hardcover books are bound in premium bonded leather with foil stamping.
