Cowboy's Pride (Welcome to Covendale) (Volume 1) Morgan Blaze

The hardest second chance they'll ever take.

The last thing Sydney Davis wants is to speak to Cam Thatcher. The boy who broke her heart in high school is now a gorgeous, dark-haired hunk of cowboy -- and meaner than a cornered snake. But she needs a favor, and he's the only one in town who can do it. Unfortunately, she soon discovers she's not as over him as she thought.

Cam wants nothing to do with the woman he used to love. Especially when he learns she's about to marry the man who's trying to destroy him and take his ranch. But once he realizes his feelings for her are as strong as ever -- and she doesn't know about her fiancé's dark side -- he must race to stop her from making the biggest mistake of her life...and his.

*WARNING: This is a steamy contemporary romance. If you're not into sexy times, you may want to give it a pass. **All books in the Welcome to Covendale series can be read as standalones!***
