Introducing the unforgettable Jack Absolute...

FREE PREVIEW! From acclaimed author C.C. Humphreys comes this thrilling excerpt from *Jack Absolute*, the first in "the finest series of historical novels since Patrick O'Brian" (Good Book Guide UK). This edition also features audio clips from the author.

It's 1777 and London is starry-eyed over Captain Jack Absolute, the dashing, swashbuckling rogue in Richard Sheridan's comedy *The Rivals*. This news comes as a shock to the real Jack Absolute when he arrives in England after four months at sea. But there's little time for outrage before Jack finds himself dueling for his life. His only escape is one he most dreads: pressed into the King's service as a British spy in the American Revolutionary War. From the streets of London, to the pivotal battle of Saratoga, to a hunt for a double agent in Philadelphia, Jack Absolute marks the exhilarating beginning of an epic historical trilogy and a character you won't soon forget.
