Tim Burton's Tragic Thoughts Journal

Dark Horse brings forward something new in the Tim Burton program, and a first in the journal category. The cover art features Burton's "Pin Cushion Queen" from The Melancholy Death of Oyster Boy and Other Stories; the image has been enhanced with a dozen or so tiny lighting elements concealed inside the journal's cover. When activated by a hidden on/off button, the colored jewels in Pin Cushion Queen's crown light up in different colors. The journal itself is 128 interior pages suitable as a compendium of the owner's secret thoughts and includes a non replaceable battery that will light the journal up to 1,000 hits of the on switch. Illustrated on back cover. Lettered book spine conceals spiral binding.
