Administration of Physical Education and Sport Programs, Fifth Edition Larry Horine, David Stotlar

This invaluable text presents the theory and practice of the administration of physical education and sport programs in an easy-to-read, easy-to-use format. With a strong background in history, *Administration of Physical Education and Sport Programs, 5/E* addresses current topics and trends in management and administration while investigating the future of athletic administration. Special emphasis is placed on diversity, ethics, standards, conflict resolution, and transparency needs in all organizations.

Each chapter begins with a case study and includes engaging end-of-chapter exercises. Critical thinking scenarios reinforce key terms and concepts. From the basics of management and administration to more topic-specific chapters discussing public relations, communications, law, and financial planning and budget restrictions, the text covers everything students need for administration courses.
