At Play in Creation: Merton's Awakening to the Feminine Divine Christopher Pramuk

In this series of deeply meditative retreat conferences, Christopher Pramuk leads the reader through a sustained meditation on Wisdom-Sophia, the feminine face of God's presence alive in the world, who speaks and sings in the writings of Thomas Merton. With the sensitivity of a poet and the intellectual acuity of a seasoned teacher and Catholic theologian, Pramuk invites readers to taste and see for themselves the hidden presence of Christ and the dynamism of Love at play in creation; the biblical and mystical tradition from East to West calls this presence Sophia. Looking beyond Merton to seek out her presence in the silent and broken landscapes of our world today, Pramuk shows Sophia above all to be the bearer of hope in an age of unspeakable violence and planetary destruction.

Includes illustrations and photos.
