Before He Was A Secret: Starstruck Book 3 Becky Wicks

From the bestselling HarperCollins author of Burqualicious, Balilicious, Latinalicious and Amazon new adult romance bestsellers Before He Was Famous and Before He Was Gone...

"Becky does it again! Here's one searingly hot, emotionally intense and brilliantly written romantic love story set in Nashville. I loved it." - Sarah Alderson (author of Hunting Lila, Fated, The Sound)

“What if we can’t choose

Every battle we win and lose

What if we decided years before, to live this life, to fight these wars

And all the dreams we ever thought were ours

Were written in the stars”

Waiting tables isn't exactly what singer/songwriter Stephanie has in mind for her move to Nashville, but memories of the past and a case of writer's block mean inspiration isn't coming easy. When brooding pianist Conor Judge opens his mouth in a smoky bar he proves music can heal, and even help you re-write your story, but a history of his own means the one thing he starts to want most is always just out of reach. Stephanie.

Enter Travis Flynn - an upcoming star who won't take no for an answer, and a record label intent on helping Stephanie shine, without Conor. As fame comes knocking as hard as the ghosts of their pasts, it soon becomes clear that no matter how hard you might fall in love, having the perfect songs doesn't always mean perfect harmony.

*****Warning: this new adult book contains graphic language, sex and mature situations. Not intended for young adult readers.*****

PRAISE FOR BEFORE HE WAS A SECRET

- "Altogether a bit 'meatier' than the former Starstruck titles, but I enjoyed it as much for being that. So Becky Wicks strikes again! Another book to add to your rainy day/summer beach reading list. "If it doesn't break our hearts it isn't love." - Goodreads
- "A great story, mixing the past with the present but never once confusing. Seeing what this book was about I didn't expect Conor's history to be what it was. Sweet light read that you will enjoy!" - Goodreads
- "Its a great read, full of people that feel genuine, and I absorbed that small town music atmosphere that Nashville ought to feel. It made for a well connected story, where what happened felt very realistic, and I could imagine it and feel myself there with the characters. " - Goodreads

- "Between Connor and Stephanie, the attraction is immediate ... But all is not so simple ... Exes, jealousy, religion, fame ... Life... Becky you did it again!! U rock!!" - Goodreads
- "This is such a great story about friendship, love, standing on your own, and believing in yourself." - Goodreads
