Colorado Wild: Preserving the Spirit and Beauty of Our Land Judith B. Sellers

The spirit of Colorado's land is mirrored in all who prize its wildness and seek its preservation. Its sublime mountains, sun-dazzled plains, rugged canyons, wildflower-splashed meadows, and crystalline waters have long inspired people from diverse walks of life to strive to preserve it--in words, on canvas, in song. And, in its most imperative sense, many have also sought literally to preserve it. Colorado's natural heritage is a legacy to be cherished and protected for generations to come. It will take the mind, spirit, and will of the Colorado people to succeed, but there is a driving, urgent imperative among its committed to save these special places that will be lost forever if the challenge goes unheeded. "Colorado Wild: Preserving the Spirit and Beauty of Our Land," a collaboration between naturalist writer Judith Sellers, well-known for her conservation efforts, and photographer Willard Clay, is a striking artistic photographic tour of Colorado's wilderness with large-format photography and text highlighting past, recent, and current conservation efforts. Filled with the natural treasures of the state, "Colorado Wild" is a call to the challenge of preserving our land.
