Expanding Your Tutoring Business: The Blueprint for Building a Global Learning Organization (Volume 1) Dr. Alicia L Holland-Johnson

In today's global economy, tutoring is beginning to get the respect and recognition it deserves. Due to budget cuts, high teacher-student ratios, and the No Child Left behind (NCLB) Act, parents and school districts are seeking out qualified independent tutors or learning organizations to provide data-driven tutoring. With these types of tutoring opportunities, tutors need a blueprint to follow so that they can start out with good information and build a successful learning organization that delivers data-driven results. In the Dr. Holland-Johnson's Expanding Your Tutoring Business Series, Tutor Consultant, Dr. Holland-Johnson delivers her field-tested advice so that you can: *Develop the organizational infrastructure you will need to run your learning organization. *Assess and acquire the office space and payment that will grow with your tutoring business. *Acquire know-how for budgeting, and dozens of other strategies you will need to be successful in the tutoring industry. Take a practical approach to building your global learning organization. By using practical steps and proven methods in your toolkit, you'll quickly find your learning organization in demand.
