****Volume 1 Academic Dress to Eyeglasses**** This reference set provides information on all aspects of clothing and adornment in human culture, from ancient Egyptian wigs to space suits. From ritual garments in societies around the world to fashion models flashing the latest styles on Parisian runways, articles cover the technology, design, and social meaning of dress throughout history. Longer essays on cultural groups and eras appear along side shorter profiles of important people, institutions, textiles, or accessories in a convenient, A-Z sequence. Perspectives from fashion design, anthropology, art history, sociology, business, and history enrich the articles. All entries signed by specialist contributors, include bibliographies and references to related topics. Hundreds of photographs, color insert sections, and line drawings add to the set's appeal for students in high school through college, as well as journalists, designers, and anyone interested in this fascinating facet of everyday life and in this essential field of human creativity.
