Craving U (The Rook Café) (Volume 1) Llarjme

"Craving U" is the full-length version of "Missing Variables", the first installment in The Rook Café series

"I tried to hate you, to forgive you, all just to forget you, but I'm only capable of loving you. You're tattooed onto my skin, and the more I try to erase you, the deeper you sink in."

A breathtaking Young Adult romance about two teenagers facing the emotional upheaval that only true love can cause. A heartfelt debut novel packed with swoon-worthy moments, where the story goes along with the main characters growth; it's not instalove.

Synopsis:

Marika, a teenager from the countryside, has known Matt since they were toddlers... and has been in love with him for almost as long. But while he's a gorgeous, athletic, popular guy with sky-blue eyes and a smile that makes your mind go blank and your mouth go dry, she is just like so many other girls her age: uncomfortable about her looks and her weight – neither super-skinny nor blonde like the cheerleader types – and certain that Matteo is out of her league.

They have grown up with very few cares in the world in the midst of vineyards in the rolling Berici Hills, rocked gently by the rhythms of school and friends. But hundreds of miles away in the big city, in an elegant old building downtown, their destiny is about to be changed from behind a luxurious mahogany desk. Matteo's departure for Milan to follow his dreams will throw everything off balance, thrusting new, tempting situations into these two teenagers' experiences of life: unexplored worlds of pro sport and its opportunities and sacrifices, contracts and huge paychecks, symphonic metal, emotions, teenage trials and tribulations, awkward relationships, and memories as cutting as a sword slicing through tofu.

When another guy fills that emptiness in Marika's life, every move, every thought, every feeling gets amplified and everything gets more complicated, and more intense.

The full-length version of Missing Variables was originally entitled "Craving U"
