Creative Guidelines for Portfolios

There are many general misconceptions associated with what is expected for your architecture application portfolio. I'll just give you one: **YOU DON'T HAVE TO BE AN ARCHITECT!** What do I mean by this? Most people believe that architecture departments want to see how good of an architect you already are. Failed portfolios will often include CAD drawings, building floor plans, etc. Remember this: what would architecture schools teach students if all accepted applicants were already architects? Your portfolio doesn't have to include a single building design in it. But it must include creativity. **GET ACCEPTED INTO ARCHITECTURE** provides you with some tools to release your inner creative genius.

I've condensed the research of my journey into this helpful book so that you do not have to go through the same process that I did. Study it! Learn it! Love it! And like me, you too will get yourself an acceptance letter on the first try.
