Huntress of the Star Empire

A Sci-Fi Romance Series Adventure

By Athena Grayson

### Episode 1: Hot Pursuit

Micah Ariesis is a wanted man. Pursued across the star system by the Huntress, helpless as his brethren are brought down one by one, he's got no options left but to gamble his future on a sketchy revolutionary plot aimed at the empire's heart, but the mystery surrounding the Huntress's legendary skill puts danger to a much closer heart—his own.

Treska's latest bounty is her last for a reason. Not even her incomparable skills can keep her target from finding cracks in her convictions. It's going to take all her training to protect her principles against his persuasive onslaught.

### About The Huntress

She always gets her man...

Ever since she was found in the aftermath of alien attacks, Treska Sivekka has been trained to one purpose--to hunt down threats to the security of the Union that gave her an identity. But when the Union's biggest threat inspires desire, and not fear, it's going to take all her training to protect her principles against his persuasive onslaught.

The Huntress's neuro-collar and repulsor cuffs may keep Micah bound to her mercy, but they can't stop him from challenging her convictions, and the lies she's been told about his people. But when the secrets surrounding her own missing memories begin to reveal themselves, he may be the only one she can trust.

Pursued across the star system by the Huntress, helpless as his psionically-talented brethren were brought down one by one, Micah Ariesis must sacrifice himself in a sketchy revolutionary plot aimed at the Union's heart, but the mystery surrounding his pursuer's mysterious origins puts danger to a much closer heart—his own.
