God's desire is to commune with man. God being spirit, the man who worships Him must worship in spirit and truth. It is therefore essential for man to be spiritual. This is what the gospel of Jesus Christ is all about. Salvation is the way to spirituality. The original three volume set of *The Spiritual Man* by Watchman Nee serves as a guide, not as a manual, to walk in spiritual life as well as to fight the spiritual warfare. It was written under tremendous spiritual conflict. Only through the grace of God and the victory of Christ was Watchman Nee able to finish the writing. Now having become a Christian classic, it may be considered as Watchman Nee's legacy to the Church. Condensed in this new volume, there are 42 lessons to be learned in journeying towards the spiritual. May we be guided by the Spirit of God to heartily learn these necessary lessons all to the glory of God.
