Can you complete the Maze? Will you survive? Or will you fail?

With more than ten complete endings included - and five ways to die!!

Don't have Kindle Unlimited? You can still get this title for FREE - scroll down to the bottom of this section to find out how

***NOTE - BECOME AN EXTRA COMPETITION - DUE TO REQUESTS WE HAVE EXTENDED OUR DEADLINE FOR ROUND 1 TO FEBRUARY 29!!!**

No idea what we're talking about? We're running a competition for extras to star in our Minecraft Maze Challenge when it is published.

As an extra you may be selected to star in your very own story-line, or you may feature as a minor character. This could be anything from saving the reader from a mob attack, to being trapped in a room, and getting saved by the reader.

The Maze Challenge is like a 'Choose Your Own Adventure' book where the reader makes the choices, determining their own fate.

*We've made it available free with Kindle Unlimited - as promised!! We wanted to make this FREE all the time for everyone, but Amazon has rules that only let us have 5 free days every 3 months.

Want it for FREE and don't have kindle unlimited - then simply email us at minecraftemag@gmail.com and we'll gift it to you (using the email address you use). Simply put I WANT IT FREE in the subject line so

we see it. It's that easy. We will gift 100 copies, and keep this page updated to let you know how many are left.

Note - because some people might take advantage of this offer and use it to buy other things, we reserve the right to withdraw this offer at any time, or to extend it to more people (if people aren't ripping us off because we have to pay for the copies we gift and we don't even get a discount!). We like to trust that people are honest, but the sad fact is we are learning that is not the world we live in.
