## **The Kerberos Club (FATE Edition) Benjamin Baugh**

Play the heroes and villains of a Strange century! Doctor Archibald Monroe, the erudite chemist and physician-chimpanzee. "Stony" Joe Smithson, the honest London boxer transformed into living rock. Maeve O'Connel, Queen of the Mudlarks, the eternal child touched by Faerie. The Lady Mirabel, who by darkness defends Whitechapel as the terrifying Night Hag. When the victims and enthusiasts of magic and bizarre science meet in an infamous club for "the Strange," thrilling action is sure to follow! The Kerberos Club (FATE Edition) is a complete roleplaying game for thrilling superheroic and steampunk action in Victorian London. It includes a treatment of Victorian society in its every particular, especially the incredible and sometimes awful changes that "the Strangeness" comes to wreak upon Queen and Country alike. New FATE rules by Mike Olson expand character skills into the realms of the superhuman and the godlike, making them endlessly customizable to suit anything you can imagine. The Kerberos Club (FATE Edition) gives players every tool they need to create new heroes and villains in a world beset by Strange mysteries and diabolical threats. There is, after all, every good reason for the club's motto: "MALUM NECESSARIUM."
